Comments

Materials Notice Y Certified By TBYRON 11/26/2025 8:36 AM

Department disposing of equipment that (i) may have been used to process hazardous materials, or (ii) may contain hazardous material which cannot be removed, or (iii) may contain radioactive materials, must receive clearance as appropriate from the Environmental Health & Safety Dept, or the Radiation Protection Office before disposal. If equipment contains radioactive materials, must receive clearance as appropriate from the Environmental Health & Safety Dept, or the Radiation Protection Office before disposal. Equipment may be surplus.

Inventory Note Y Certified By TBYRON 11/26/2025 8:36 AM

Devices that may have internal storage (e.g., copiers, printers, scanners, projectors, etc) on this form, please check with the manufacturer for verification if they are equipped with internal storage. If equipped with internal storage, it is the responsibility of the department to erase all data on the internal storage or remove the device over the course of the project. Devices with internal storage retain images made during the life of the equipment.

Management Y Certified By TBYRON 11/26/2025 8:36 AM

Department disposing of (i) tractors, mowers, skid steers or (ii) cars, trucks, vans and trailers, must provide a signed copy of the surplus request with signatures from the department and Surplus Property to remove the item (s) from Risk Management Insurance.
