### Certifications

Hazardous Materials Notice    Y                      Certified By    TBYRON 2/25/2026 8:24 AM

Person/Department disposing of equipment that (i) may have been used to process hazardous materials, or (ii) may contain hazardous material which cannot be removed, or (iii) which contains radioactive materials, must receive clearance as appropriate from the Environmental Health & Safety Dept, or the Radiation Protection Office before this equipment may be surplus.

Data Security Note                      Y                      Certified By    TBYRON 2/25/2026 8:24 AM

When including devices that may have internal storage (e.g., copiers, printers, scanners, projectors, etc) on this form, please check with the manufacturer for verification if storage exists. If equipped with internal storage, it is the responsibility of the department to erase all data on the internal storage or remove it before turning the device over to Surplus. Devices with internal storage retain images made during the life of the equipment.

Risk Management                      Y                      Certified By    TBYRON 2/25/2026 8:24 AM

Person/Department disposing of (i) tractors, mowers, skid steers or (ii) cars, trucks, vans and trailers, must provide a signed copy of the surplus request with signatures from your department and Surplus Property to remove the item (s) from Risk Management Insurance.
